Kick Off meeting of the project:
Sailing across the Black Sea – “SaBS”
Joint Operational Programme “BLACK SEA BASIN 2014-2020”

On Friday, November 16, 2018, at 9:30am, at the premises of Alexandroupolis Port Authority will take place the kick of meeting and presentation of the partners and representatives of organizations involved inth project SaBS (Sailing Across Black Sea) which has been approved for co-financing through Black Sea Basin (JOP Black Sea Basin) Programme

Port Authority of Alexandroupolis (i.e OLA SA) has been nominated lead partner in the implementation of the implementation period.

Partners of the scheme except OLA SA, are Sport Fishing Club "Glarus"(BG) from Burgas, Bulgaria, and the International Center for Social Research and Political Analysis, based in Vatum, Georgia.

The SaBS project was the subject of a long-term planning of the Alexandroupolis Port Authority with main aim to enhancing the capacity to accommodate tourist boats as well to facilitate bonds and collaboration with Black Sea ports with overall outcome to enhance tourist flows to the area of Alexandroupolis.

Common borders. Common solutions.
